## GUIDELINES FOR ACCEPTING YOUR ORDER WITHOUT INCURRING ADDITIONAL CHARGES.

	If you:	Then:
Shipping to Storage Facility	Need a phone call an hour before delivery to an unmanned facility.	<b>We will request a delivery appointment.</b> If the trucker is out to deliver and he cannot get in touch with you, you will incur a redelivery charge of up to \$800.00 depending on the size of your order.
Refuse Delivery	Refuse a delivery for any reason.	You will incur a redelivery charge. We will add the extra cost to your invoice.
Damages and Shortages	Sign your order as "No damage or shortage" and then find out after the trucker leaves that you actually do have damage or shortage, <b>you will most likely accept the loss. You must sign the BOL (trucker's paperwork) notating the "Shortage or Damage", BEFORE the trucker leaves.</b>	Once you sign and accept your order as 'free of any damages or shortages' it is very hard for Cribs for Kids® to file a claim. <b>Contact us the same day as the delivery and report the damages or shortages and / or any issues with the trucker or delivery. Call Barbara 412 322-5680 x7.</b>
File a Claim	Have a damage or shortage from a delivery.	Call Barbara at (412) 322-5680 x7 to report the claim and fax bill of lading where you signed for the shortage or damage. A claim form will be e-mailed or faxed to you for completion.
Request a Quote	Need to know the price of shipping cost before you place your order.	Call Barbara at (412) 322-5680 x7 and provide the following information: <b>zip code of the ship to address; do you have a loading dock; do you need inside delivery; do you have a door entrance a pallet will fit through; do you need a phone call before delivery; and the item and quantity of your order.</b>
Special Shipping Instructions	Need a shipment delivered anywhere except inside your door entrance or loading dock. EX: on second floor, in the basement, etc.	You need to notate this on the Product Order Form under "Special Shipping Instructions" and when requesting a quote. <b>There are extra costs involved and /or you may need a different way of shipping to accommodate your needs.</b>
Special Delivery Needs	Need shipment delivered by a specific time, need a call before delivery, or any special circumstance for delivery needs.	You must notate under "Special Shipping Instructions" what your specific needs are.
