SHIPPING & HANDLING

*Shipping Prices Vary. All shipping costs are determined when the order is processed for shipment. Once the order has shipped, you will be emailed a final invoice that will include the cost of the product ordered and shipping.

If you need to receive a quote for shipping prior to submitting your order, please email Tom Poet, at tpoet@cribsforkids.org. Please note: quotes expire after 2 weeks.

A handling charge of \$5.00 per piece for orders less than 100 items and \$3.00 per piece on orders of 100 items or more will be assessed on all orders containing large items (i.e., play yards, car seats, strollers, and highchairs). The handling charge will appear as a line item on your invoice.

If you would like more information regarding ordering carseats, high chairs, or strollers, please email us at info@cribsforkids.org.
