

Funding Letter Sample Language

The following are example of language to guide documentation provided by third parties to pledge financial support and commitment towards hospital wearable blankets and/or safe sleep space distribution.

Sample Language from Third Party Provider for Wearable Blankets

- Must be on letterhead or via third party provider email that easily demonstrates authorship of the third party providing the safe sleep space.
- Must have a signature or electronic signature from representative of agency

This letter acknowledges a partnership between (Insert Agency) and (Insert Hospital) in support of the hospital's application Safe Sleep Hospital Certification.

Our agency provides the clinical site with (insert product detail) wearable blankets. The wearable blankets are (insert if they are used on the unit, gifted to the family or both). We commit to ensuring the clinical site has inventory available commensurate with need and confirm a communication and delivery process that supports this.

Note: If the agency provides other training or education, it is appropriate to include this information.

Sample Language from Third Party Provider for Sleep Space

- Must be on letterhead or via third party provider email that easily demonstrates authorship of the third party providing the safe sleep space.
- Must have a signature or electronic signature from representative of agency

This letter acknowledges a partnership between (Insert Agency) and (Insert Hospital) in support of the hospital's application for Gold Level Safe Sleep Hospital Certification.

Our agency provides the clinical site with (insert product detail) to be given to families assessed at unsafe sleep risk prior to discharge. We commit to ensuring the clinical site has inventory available commensurate with need and confirm a communication and delivery process that supports this.

Note: If the agency provides other training or education, it is appropriate to include this information.
