Dear Cribs for Kids Partners:

Recently you were informed by us that there was a possibility that tariffs would be imposed on certain finished goods (List 3) sourced from China. Through petitioning on behalf of Graco and Korbex some of our products, such as car seats, strollers, high chairs are now exempt from the tariffs. However, some of our products will be subject to tariffs. For those items, prices will increase by 10% beginning on orders received by our office after October 15, 2018. *(To access the updated partner order form, please use the button below.)*

The items subject to the 10% tariff are:

- Cribs for Kids Cribette;
- Graco Pack 'n Play;
- Cribs for Kids portable crib sheet;
- Cribs for Kids onesie.

Additionally, the government announced List 3 tariffs will increase from 10% to 25% beginning January 1, 2019. Therefore, prices will increase an additional 15% on top of the 10% increase, outlined above, to reflect the pass through of the tariff. You will be notified of the new pricing prior to January 1, 2019 when updated order forms are issued. We are continuing our efforts to eliminate these tariffs, particularly on the Cribette, arguing that it is a safety device with the safety message imprinted on the unit.

Thank you for your continued support. If you have any questions or would like to discuss further, please feel free to contact us. We will notify you of any changes in a timely manner.

Sincerely,

Judy Bannon
